Subscriptions and Delivery

IJCEA is published in print versions. The journal covers the frontier issues in the chemical engineering and applications. Printed copies of the journal are distributed to accredited universities and government libraries.

Print version: Interested librarians of the accredited universities and government libraries are welcome to apply for the free subscription and delivery of the journal, by sending us an email (ijcea@ejournal.net) with their institution name, address, contact phone/fax number, email address, contact person and his/her position. After our staff has verified this information, our journal will be delivered to your libraries with no charge (note: the number of our journal's free print version is limited).

Online version: Interested librarians and scientists are also welcome to read the free online version of the journal, by sending us an email (ijcea@ejournal.net) with their institution name, address, contact phone/fax number, email address, contact person and his/her position. After our staff has processed this notification, one can simply set up a link to our journal's web page. Then, you and your users can read the journal online freely.

All the papers in the journal are available freely with online full-text content and permanent worldwide web link. The abstracts will be indexed and available at major academic databases.

Call for International Editorial Board Members and Reviewers

Chemical engineers and scientists are welcome to join the IJCEA as the members of the international editorial board or as reviewers. Interested persons can send us an email, along with their curriculum vitae (CV) to e-mail: ijcea@ejournal.net
